

Tiffini Hughes Promoted at HomeTown Bank

Tiffini Hughes
Assistant Vice President

Tiffini Hughes has been promoted to Assistant Vice President and Assistant Branch Manager for HomeTown Bank's Galveston Seawall branch.

"When I was hired as a New Account Representative in January, 2016," Tiffini said, "I knew I wanted to work for a bank that is focused more on helping their customers than on sales quotas. Working for HomeTown Bank has been so fulfilling, and our team truly is like family. It has been such a pleasure getting to know the people of Galveston and the history of this great city. I have been trained by the most remarkable leaders over the past three years and can't wait to see what the future holds."

Congratulations, Tiffini!
